Profile

In professional retraining after a 10-year career as LiveOps manager for the french iGaming market leader. Graduated from Le Wagon bootcamp and self-taught, I am now looking for a developer position (Vue / Nuxt / Ruby on Rails). Professional and hardworking, I also offer real added value to my technical skills through solid experience in product management.

Experience

LIVE OPERATIONS MANAGER
WINAMAX | PARIS, FR | JUL 2010 - SEPT 2019

- Orchestrated launch for products and promotions with development and creative teams.
- Managed product backlog/roadmap to optimize game client and products.
- Collaborated with development teams to optimize back-office tools.
- Designed, deployed and managed full online gaming offers (schedule and money flow).

ONLINE MARKETING EXECUTIVE
WINAMAX | LONDON, UK | AUG 2009 - JUN 2010

- Coordinated with B2B providers and customer support to manage gaming events.
- Created and maintained online content materials for products, promotions and game client.
- Deployed and managed gaming offers for french online communities.
